

EPEE FENCING TRAINING CAMP FOR NORDIC COUNTRIES

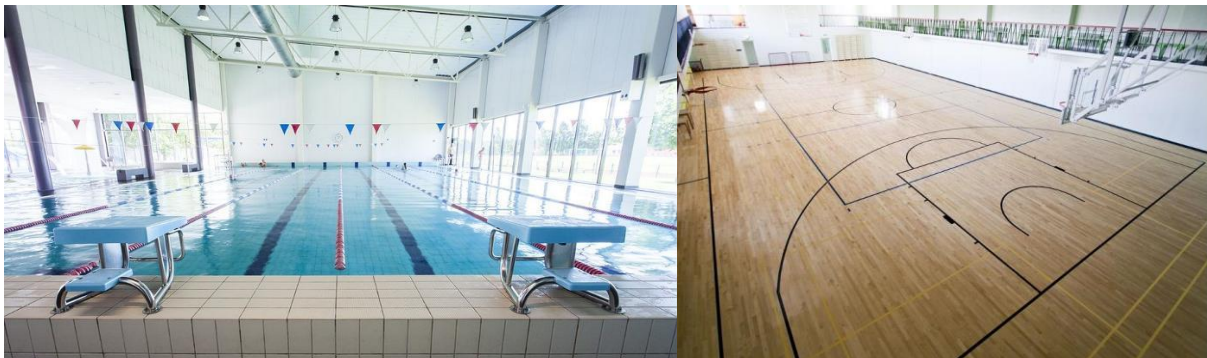

29.09.-03.10.2014

HAAPSALU, ESTONIA

Training camp will start right after the Cadet and Junior Nordic Championships which will be held on 27.09.-28.09.2014 in Kalev Sports Hall, Tallinn.

The aim of the camp is to develop fencing in Nordic countries. The camp will be held in Haapsalu Sports Centre. Haapsalu is 100km from Tallinn.

The Haapsalu Sports Centre has all the necessary conditions for organizing the high-level training camp: big gym (enough for 15-16 pistes), swimming pool, accomodation, restoran, tennis and basketball courts, football field and athletics stadium, lecture rooms and saunas. There will be also professional masseuse available if needed (extra cost for participants).

Swimming pool and gym.

7 countries are participating: Estonia, Latvia, Lithuania, Norway, Sweden, Denmark, Finland. 4 cadet and 4 junior fencers from each countries + 2 coaches from each country. Participants must buy themself flight tickets to Tallinn and back to their country, all other costs are paid by organizers. Total 56 fencers and 14 coaches. There will be 2 different training times if needed. For girls and for boys separately.

Tennis court and athletics stadium.

All fencers and coaches (except Estonian fencers and coaches) will stay after the Nordic Championships in Tallinn and they are accommodated in official hotel Radisson Blu Hotel Olympia. On 29.09.2014 there will be shuttle busses from the hotel to the Haapsalu Sports Centre. On 03.10.2014 there will be shuttle buses from Haapsalu Sports Centre to Tallinn according to the departure times.

Restoran and hostel room.

For all the participants and staff there will be t-shirts provided. There will be written supporter name - International Charity Fund For The Future Of Fencing and also Nordic Epee Camp.
