

Mrs. and Mr. President,

The FIE is beginning its continental programme of coach education. The objective of this programme is to considerably increase the number and quality of coaches on each continent.

During the 2009-10 season we will organise 2 months of coach education in each of the three weapons.

- 2 months of foil coach education
- 2 months of épée
- 2 months of sabre.

The 2 months teaching programme will consist of 30 hours per week and 240 hours over the 2 months.

The course will be conducted by 2 FIE experts with great experience of coach education.

At the end of the course and after a final examination an FIE coaching diploma will be awarded.

Participation

The total number of participants at each course is limited to 20 people with 1 candidate per country per weapon.

You are invited to send the name of your federation's candidate for the foil coach education course which will be held from the 1st September to the 30th October 2009 at the Romanian Federation's national training centre in Bucarest.

Each participant will have full board and accommodation paid for by the FIE during the whole course.

The coach education lessons and the transport from the airport to the national training centre will be paid for by the FIE. In addition the FIE will contribute 150 euros per person for the flight ticket.

Please find below the dates for the courses in Europe for all three weapons in 2009-10.
