

## TEAM WORLD RANKINGS

### o.84. 1. Official team ranking of the FIE

#### Principle

- a) The official Senior team ranking of the FIE takes into account a team's **best four results** in the Senior Team World Cup competitions, irrespective of continent, plus the Senior World Championships or the Olympic Games and the Zonal Championships.

The official Junior team ranking of the FIE takes into account a team's **best four results** in the Junior Team World Cup competitions, irrespective of continent, plus the Junior World Championships and the Zonal Championships.

- b) The official team ranking of the FIE is **updated on a permanent basis**: the event which is held during the current year cancels out the corresponding event held the year before, just as the points obtained during the new event replace the points obtained the year before. If an event does not take place in the current season, the points obtained at the same event in the previous season are deleted on the anniversary of the event.
- c) Should several teams **have the same points**, the same rules shall apply as for the official FIE individual ranking (cf. o.83).
- d) Except where special rules apply, the updated official team ranking is the **deciding factor** for all rankings, seedings, etc.

#### 2. Team scale of points

- a) The ranking will be based on the following scale of points:

1st place	64 points	10th place	24 points
2nd place	52 points	11th place	23 points
3rd place	40 points	12th place	22 points
4th place	36 points	13th place	21 points
5th place	32 points	14th place	20 points
6th place	30 points	15th place	19 points
7th place	28 points	16th place	18 points
8th place	26 points	17th–32nd	8 points
9th place	25 points		

- b) For the World Team Championships, the points indicated above are multiplied by two.
- c) Points obtained in a Zonal Team Championship have a factor of 1.0.
